"Principles of Excellence"

As an approved (NCD) institution by the Veterans' Administration, The Fab School proudly participates in the Principles of Excellence program, by agreeing to abide by the following guidelines.

- *Provide students with a personalized form covering the total cost of an education program.*
- *Provide educational plans for all military and Veteran education beneficiaries.*
- *End fraudulent and aggressive recruiting techniques and misrepresentations.*
- *Accommodate Servicemembers and Reservists absent due to service requirements.*
- *Designate a point of contact to provide academic and financial advice.*
- *Ensure accreditation of all new programs prior to enrolling students.*
- *Align institutional refund policies with those under Title IV, which governs the administration of federal student financial aid programs.*

"Military Student Bill of Rights"

All military student populations have basic rights to satisfactory college marketing, admissions, and student services practices including the right to:

- *Accurate information about a school's programs, requirements, accreditation, and its potential impact on course transferability.*
- *Access basic college/university information and fees without disclosure of student personal information.*
- *Educational planning and career guidance without high-pressure registration and enrollment efforts from institutions.*
- *A clear and complete explanation of course/program enrollment procedures and all resulting financial obligations.*
- *Explore, without coercion, all financial aid options before signing up for student loans or other financial assistance.*
- *Accurate scholarship information, free of misleading scholarship offers based on military tuition assistance.*
- *Appropriate academic screening and course placement based on student readiness.*
- *Appropriate, accessible academic and student support services.*
- *Clearly defined institutional "drop/add" and withdrawal policies and procedure including information about the impact of military duties (e.g., mobilization, activation, temporary duty assignments) on their academic standing and financial responsibilities,*
- *Clearly defined grievance/appeals processes.*

“8 Keys to Veterans’ Success”

The Fab School is proud to support service members, veterans, and military families, and thus affirms support for the 8 Keys to Veterans’ Success. The Fab School recognizes the significant value that student veterans, service members, and family members bring to our campus and believe that it is important that we ensure that veterans receive the best possible educational experience. We are committed to implements, and sharing, promising practices such as:

1. *Create a culture of trust and connectedness across the campus community to promote well-being and success for veterans.*
2. *Ensure consistent and sustained support for veterans from campus leadership.*
3. *Implement an early alert system to ensure all veterans receive academic, career and financial advice before challenges become overwhelming.*
4. *Coordinate and centralize campus efforts for all veterans, together with the creation of a designated space (even if limited in size.)*
5. *Collaborate with local communities and organizations, including government agencies, to align and coordinate various services for veterans.*
6. *Utilize a uniform set of data tolls to collect and track information on veterans, including demographics, retention, and degree completion.*
7. *Provide comprehensive professional development for faculty and staff on issues and challenges unique to veterans.*

Veterans’ Addendum Acknowledgement

As part of the Veterans’ Administration policies, this Veterans’ Addendum is part of and incorporates by reference The Fab School catalog. In the event of any conflict between The Fab School catalog and this Veterans’ Addendum, the provisions of this Veteran’s Addendum shall prevail. All other provisions of The Fab School Catalog that are not expressly modified by this Veterans’ Addendum shall remain in full force and effect.

The law requires that educational assistance benefits to Veteran’s and other eligible persons be discontinued when the student ceases to make satisfactory academic and/or attendance progress, to include violations of conduct toward completion of his or her training objective.

The Fab School is recognized by the Veterans’ Administration as a Non-College Degree (NCD) institution of learning and approved for the training of Veterans’ and eligible persons under the provisions of Title 38, United States Code, along with the California State Approving Agency for Veterans Education.

- **The Fab School Main Campus of Administrative Capability**
The Main Campus in Rancho Cucamonga, CA, maintains “Administrative Capability”.
- **Principles of Excellence and Memorandum of Understanding (MOU)**

- **Military Student Bill of Rights**
The Fab School is a proud supporter of the Military Student Bill of Rights
- **8 Keys to Military Success**
The Fab School is a proud supporter of its service members, veterans, and military families, and thus affirms support for the 8 Keys to Veterans’ Success.

Veteran Students

The Fab School is designated by the Veterans’ Administration as a Non- College Degree (NCD) school and is designated as a Non-Standard Term School. This “Veterans Addendum to The Fab School Catalog” is a supplement to The Fab School’s General Catalog. This Veterans’ Catalog Addendum

addresses specific general policies, procedures, and opportunities relating specifically to Veteran or Active Service Members only which may not be addressed in the school's catalog.

Enrollment in the daytime schedule of the 728-clock hour Fundamentals of Fabrication, or the Digital Design and Manufacturing (28 clock hours per week), or 600 clock hour Advanced Composites and Technologies (32 clock hours per week) programs are considered a full-time program of enrollment by the Veterans Administration. As such, veteran / active-duty students enrolled in these daytime program schedules are considered full-time students.

Enrollment in the evening schedule of the 600-clock hour Principles of Metal Fabrication program is considered a ¾ time program of enrollment by the Veterans Administration (16 clock hours per week). As such, veteran / active military duty students enrolled in this evening schedule are considered ¾ time students.

Requirements for Employment Licensure

At the current time, The Fab School is not aware of any specific metropolitan area(s) State, Federal, or commercial entities specifically requiring Welding Licensure, or any other licensure directly related requirement for the career fields which training is provided by The Fab School from any of its training program fields.

The Fab School does want you to know that the Fundamentals of Fabrication and the Principles of Metal Fabrication does prepare you for the American Welding Society (AWS) Welding Certification Test. This test is administered at the end of the program by a third-party, authorized by the American Welding Society, on The Fab School campus site.

The Fab School's Veterans' Certifying Official and School Staff

The Fab School has on campus, two (2) approved VA Certifying Officials and other staff members available to assist any Veteran and/or Active Service Member concerning access to VA Educational Benefits, the Tuition Assistance program, and institutional services that include academic counseling assistance, financial aid (Title IV) assistance, job placement assistance and any other needs or services which the Veteran or Service Member may need. Each VA representative has received required training and approval by the VA and all individuals are trained to assist Veterans as well as other students in responding to their individual needs. Those to contact directly are as follows.

SCHOOL CERTIFYING OFFICIALS

- Jennifer Mabini – Approved VA Certifying Official and Financial Aid Officer 909-493-3782
- Penney Vaughn – Approved VA Certifying Official and Executive Director 909-493-3788

SCHOOL ADMINISTRATIVE STAFF

- Bridgett Hughes – Student/Career Services Representative 909-493-3789
- Madelyn Martinez – Administrative Assistant 909-493-3791

Facilities and Services Available to Veteran/Active Service Member Students with Disabilities

The Fab School does not discriminate on the basis of a disability. Veteran/Active Service member students, with a disability as defined under applicable law or otherwise, may request reasonable accommodations. All requests for reasonable accommodation must be submitted in writing to the Executive Director using the Student Intake Form and Disability Verification Form. All requests for reasonable accommodation will be acted upon immediately by the school and the student will be notified promptly of the school's determination. The Fab School will not ask the Veteran/Active Service member applicants or current students if they have a disability or the nature of their specific need. The disclosure of a disability is voluntary on the part of the applicant/student. If an applicant/student with a disability wishes to receive academic assistance, it is the student's responsibility to inform the Executive Director in writing of the need and to follow the procedures to request academic assistance.

The Fab School does not employ a “Licensed Counselor”. Therefore, any Veteran/Active Service member in need of “help” for the purpose of a counseling need, shall confidentially speak with the school’s Executive Director (if they so choose to) who will assist in directing the student to an appropriate professional counseling service or the Veterans’ Administration.

Service Animals

In accordance with the Department of Justice published final regulations implementing the American with Disabilities Act (ADA) for Title III (public accommodations and commercial facilities), The Fab School shall follow the publication’s guidance on the term Service Animal and the service animal provisions in the Department of Justice regulations.

- Only dogs are recognized as service animals under Title III of the ADA.
- A service animal is a dog that is individually trained to do work or perform tasks for a person with a disability.
- Title III entities must permit service animals to accompany people with disabilities in all areas where members of the public are allowed to go.
- Service animals are working animals, not pets.
- The work or task a dog has been trained to provide must be directly related to the person’s disability.
- Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.
- A service animal must be under the control of its handler. Service animals must be harnessed, leashed, or tethered, unless the individual’s disability prevents using these devices or these devices interfere with the service animal’s safe, effective performance of tasks.
- If a particular service animal behaves in a way that poses a direct threat to the health or safety of others, has a history of such behavior, or is not under the control of the handler, the school may determine that the service animal be excluded under Title III ADA Regulations.
- The handler is responsible for caring for and supervising the service animal, which includes toileting, feeding, grooming and veterinary care. The Fab School is not obligated to supervise or otherwise care for a service animal.

Tuition Assistance (TA) Program and Financial Aid

Eligible active-duty DoD personnel may use this Montgomery or Post-9/11 G.I. Bill benefit in conjunction with TA funds from their Service to cover those course costs to the Service member that exceed the amount of TA paid by his or her Service. RC members who qualify for Montgomery G.I. Bill benefits may use those benefits concurrently with TA. Therefore, the combination of VA education benefits and TA will not exceed 100 percent of the actual costs of tuition.

If an eligible Service member decides to use Tuition Assistance (TA), The Fab School will direct the eligible Service member to speak with and obtain written approval from an Educational Service Officer (ESO) or counselor within their Military Service prior to enrolling at The Fab School. Service members will be solely responsible for all tuition costs without prior approval. The Fab School may pre-register (Conditional Enrollment) a Service member in a program in order to temporarily hold a chair for the class. If the school enrolls the Service member before the appropriate Service approves Military TA, then the Service member could be responsible for the tuition. All Military TA must be requested and approved prior enrollment at The Fab School (documentation of approval is required). If a military student “self-identifies” their eligibility and the Service has not approved the funding, then the Service member will be solely responsible for all tuition costs, not the Service.

Service members identified as eligible DoD TA recipients, and who qualify for Pell Grants through the Federal Student Aid program, will have their TA benefits applied to their educational institution’s account prior to the application of their Pell Grant funds to their account. Unlike TA funds, which are tuition-restricted, Pell Grant funds are not tuition-restricted and may be applied to other allowable charges on the account.

Estimated Schedule of Total Charges for a Period of Attendance

All Service members, to include Veterans, Active Service members, the National Guard and Reservists, along with enrollments from the general public are charged the same tuition program costs, along with Registration Fee, Books/Supplies and Equipment charges, and Student Tuition Recovery Fund fee (when applicable) as noted in the school's general school catalog. Any and all charges are the same regardless of Service component.

Admissions Policy

All Service members, including Veterans, Active Service members, the National Guard and Reservists, along with enrolments from the general public are required to adhere to the school's Admissions Policy as noted in the school's general School Catalog. Any conflicts may give reason for a denial of enrollment in any program offered.

Veteran Student Enrollment Policies and Processes

The Fab School adheres to a strict set of recruitment (admissions) policies and procedures as self-established and approved by its accrediting agency, the Council on Occupational Education, along with the California State Approving Agency for Veterans Education (CSAAVE), and by the U.S. Department of Veteran Affairs (VA).

Prior to the enrollment in a class, the Veteran applicant will need to provide their Admissions Representative with the following:

- Photo Identification (Driver's License or State ID)
- VA Form DD-214 (#4)
- Proof of High School Graduation (If not stated on DD-214), G.E.D. or its equivalent.
- VA Form 28-1905 (Chapter 31 Voc Rehab Only)
- VA "Certificate of Eligibility of Educational Benefits"
- Transcripts from any enrollment/attendance at a postsecondary school (beyond that of High School), where "Educational Benefits" were used. If this request is not complied with, this MAY affect Certification and/or Housing Allowance.
- Signed Certification page (last page of this Veteran's Addendum)

The Fab School Veteran/Active Service Member Scholarship

Eligibility for The Fab School's Veteran Scholarship is as follows. 1) Eligibility is for the Veteran himself/herself and is not transferable; 2) the Veteran has a 100% Educational Benefits Approval from the VA. Each of the aforementioned criteria must be met in order to be eligible to apply for The Fab School Veteran Scholarship. Applications are available in the Financial Aid Office at The Fab School. Up to 17% of the "Tuition Cost" is available for qualifying Veteran/Active Service Members.

"Yellow Ribbon" Program

As a "Non-College Degree" (NCD) school, The Fab School is unfortunately not eligible to participate in the Yellow Ribbon Scholarship Program.

Iraq and Afghanistan Service Grant Program

Eligibility for the Iraq and Afghanistan Service Grant is as follows. 1) A student who is not eligible for a Federal Pell Grant on the basis of their Expected Family Contribution (EFC) but meets the remaining Federal Pell Grant eligibility requirements; 2) whose parent or guardian was a member of the U.S. Armed

Forces and died as a result of service performed in Iraq or Afghanistan after Sept. 11, 2001; 3) individual was under the age of 24 years old or enrolled in college at least part-time at the time of their parent's or guardian's death. Each of the aforementioned criteria must be met in order to be eligible to receive a grant under the Iraq and Afghanistan Service Grant Program. The grant award is equal to the amount of a maximum Pell Grant for the current federal award year, minus a reduction of 5.9%, disbursed on or after October 1, 2021, and before October 1, 2022, as per the Grant guidelines.

Acceptance of Credit for Prior Education or Experience

Due to Veterans' Administration (VA) directives, The Fab School is required to evaluate all possible transfer credit/clock hours for application towards a program of enrollment. Therefore, it is necessary to obtain and review any/all transcripts from a prior attendance at a Postsecondary Educational Institution for possible credit of clock hours towards a vocational training course or courses at The Fab School when comparable scope and content can be determined.

While it is the ultimate responsibility of the Veteran/Active Service Member to obtain any such transcript, The Fab School will assist you in obtaining any such transcripts if needed.

At the discretion of The Fab School, the school may accept the transfer of credit for postsecondary course or courses when comparable scope and content can be determined. The credits earned at The Fab School are not college-level; therefore, will not automatically transfer to other institutions. Our courses are unique and specific to this school's vocational program, thus any welding courses or fabrication courses enrolled in at other institutions will be evaluated as to transferability. However, as has been often found in the past, while such training is helpful to the student, the academic and skill set learning rarely meets the standards of performance required of the student during the training program at The Fab School. However, any such comparable training/course with a grade of "C" (2.0) or better will be considered. No more than 75% of the credits required for a non-degree (Certificate) program will be considered for transfer eligibility.

The school's established criteria for considering transfer credit are a systematic process of comparability, scope, and depth of learning application, the grade earned, and/or institutional accreditation status. Any transfer credits will be counted as both attempted and earned credits, if applicable.

If credit for prior experiential learning is to be granted, the experiential learning must meet the following criteria:

- (1) (A) The prior learning is equivalent to a college or university level of learning.
(B) The learning experience demonstrates a balance between theory and practice and
(C) The credit considered/awarded for the prior learning experience directly relates to the student's program and is applied in satisfaction of some of the program requirements.
- (2) Each college or university level learning experience for which credit is sought shall be documented by the student in writing.
- (3) Each college or university level learning experience shall be evaluated by faculty qualified in that specific subject area who shall ascertain (1) to what college or university level learning the student's prior experience is equivalent to in our program and (2) how many credits toward a Certificate of Completion may be granted for that experience.
- (4) The faculty evaluating the prior learning shall prepare a written report indicating all the following:
 - (A) The documents in the student's record on which the faculty member relied in determining the nature of the student's prior experience.
 - (B) The bases for determining that the prior experience (I) is equivalent to the school's level of required learning and (II) demonstrates a balance between theory and practice; and

(C) The bases for determining (I) to what level of the school's training the experience is equivalent to and (II) the proper number of credits to be awarded toward the prospective program for that experience.

- (5) The amount of credit awarded for prior experimental learning shall not be related to the amount charged the student for the assessment process.

Transferability of Credit

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at The Fab School is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the Certificate you earn in the Fundamentals of Fabrication program is also at the complete discretion of the institution to which you may seek to transfer. If the clock hours or the Certificate that you earn at this institution are not accepted at the Institution to which you seek to transfer, you may be required to repeat some or all your coursework at that Institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending The Fab School to determine if your clock hours or Certificate will transfer. An institution's accreditation does not guarantee that credits earned at that school or institution would be accepted for transfer by any other institution.

Attendance Policy

The law requires that educational assistance benefits to Veterans be discontinued when the student ceases to make satisfactory attendance progress (SAP) toward completion of his or her training objective.

Title 38, Chapter 1, Part 21, Subpart D, Sub Section 21.4277:

“If the veteran person does not maintain satisfactory progress, educational benefits will be discontinued by the Department of Veterans’ Affairs. Progress is unsatisfactory if the Veteran does not satisfactorily progress according to the prescribed standards and practices of the institution he or she is attending.”

The law requires that educational assistance benefits to Veterans and other eligible persons be discontinued when the student ceases to make satisfactory academic and/or attendance progress, to include violations of conduct toward completion of his or her training objective.

All Service members, including Veterans, Active Service members, the National Guard and Reservists, along with enrollments from the public are required to adhere to the school’s Attendance Policy as noted in the school’s general School Catalog. Any conflicts will give reasons for termination of enrollment in any program offered.

Satisfactory Attendance Progress Policy

The Fab School adheres to a strict attendance policy to ensure that all students maintain satisfactory attendance progress towards graduation. Failure by any student to maintain satisfactory attendance progress may ultimately result in suspension or termination. The Fab School’s Satisfactory Attendance Progress Policy applies to all The Fab School students, regardless of whether they are receiving Federal Title IV funds or not and is listed in the school’s general catalog.

All Veteran students who are also participating in any Title IV Financial Aid program(s), please refer to The Fab School’s Catalog for additional policies concerning satisfactory and unsatisfactory attendance performances and evaluations.

When a Veteran student has failed to maintain the prescribed standards of progress by The Fab School, the VA will be notified and any benefit payments will be discontinued (to include Tuition, Housing, Books and Supplies Stipend) in accordance with the law. When a Veteran student’s benefits have been discontinued, the Veteran student has three (3) days to appeal the action to the Executive Director in writing. If the appeal is upheld, VA benefits will be reinstated. If the Veteran Student fails to appeal the action, or the appeal is denied, the Veteran student’s VA benefits will remain discontinued.

(Please refer to The Fab School Catalog for additional information concerning The Fab School’s Satisfactory Attendance Progress Policy.)

“Withdrawn” from Modules

A veteran student who withdraws from The Fab School or is terminated by The Fab School will be considered as having been withdrawn from their current module of training, and, upon return, will be required to repeat any such identified module. A status change will be communicated to the Veterans’ Administration. The student will also be responsible for any charges for training materials used to repeat said module. **(Please refer to The Fab School Catalog for additional information concerning The Fab School’s Withdrawn from Modules Policy.)**

If the Veteran student submits a copy of Military Orders which require him/her to go Active Duty for a period of time amounting to greater than 180 days (exceeding an allowable time limit by the Department of Education), the Veteran student will be considered as having withdrawn from their enrollment. The Veterans’ Administration will be notified. Should the Veteran student elect to return from their Active-Duty Service, training will resume at the point of their departure and no additional charges will have been charged during their time away from their enrollment at The Fab School.

Make-up Hours/ Course Work Policy & Procedure

All time missed from attending the class must be made up. All required make-up times will take place in the shop area only. Prior to making up anytime, the Make-up Time Sheet must be obtained from the Administrative Assistant, located at the front desk or the instructor. The form is to be completed by the student as noted. The form is to be submitted to the instructor for review and approval once the make-up clock hours are completed. Any required make-up clock hours necessary to meet graduation requirements that exceed beyond that of the originally scheduled enrollment of 728 clock hours for Fundamentals of Fabrication or Digital Design and Manufacturing, 600 clock hours for Principles of Metal Fabrication, or 172 clock hours for Advanced Composites and Technologies programs, at the discretion of the school, the student will be personally responsible for all financial costs for the period of make-up time. The cost will be based upon the agreed timeframe required for instructional supervision/participation, at an established rate of \$42.50 per hour, and paid in advance. All make-up time must be completed prior to consideration for eligibility to graduate.

Maximum Time Frame for Course Completion

A Veteran student must satisfactorily complete his/her program of training within a maximum time frame, defined as one and one-half times the regularly scheduled program length. If the Veteran student does not complete his/her program of study within the maximum time frame, the Veteran student will be dropped from their training program, and a status change will be communicated to the Veterans' Administration. The Veterans' Administration will also be notified. ***(Please refer to The Fab School Catalog for specific information concerning the maximum allowed number of weeks/clock hours available to complete the program of enrollment.)***

Leave of Absence

A "Leave of Absence" (LOA) is considered for school enrollment as a temporary interruption in a Veteran student's program of study, with the reasonable expectation that the Veteran student will return. HOWEVER, for the Veteran student, an LOA also represents a termination of Educational Benefits until such time as the Veteran student returns to the school as an active student. The Fab School is required to notify the Veterans' Administration of a status change involving a Veteran student taking an LOA, in order that the Educational Benefits being paid are terminated. When the Veteran student returns to class, The Fab School will re-certify the Veteran student for the remaining class time and any Educational Benefits scheduled for payment will resume.

(Please refer to The Fab School's Catalog for all additional conditions and procedures involved in a student applying for and receiving a school approval or denial of a LOA.)

Academics Policy

The law requires that educational assistance benefits to Veterans be discontinued when the student ceases to make satisfactory progress toward completion of his or her training objective.

Title 38, Chapter 1, Part 21, Subpart D, Sub Section 21.4277:

If the Veteran person does not maintain satisfactory progress, educational benefits will be discontinued by the Department of Veterans' Affairs. Progress is unsatisfactory if the Veteran does not satisfactorily progress according to the prescribed standards and practices of the institution he or she is attending.

The law requires that educational assistance benefits to Veterans and other eligible persons be discontinued when the student ceases to make satisfactory academic and/or attendance progress, to include violations of conduct toward completion of his or her training objective.

All Service members, including Veterans, Active Service members, and the National Guard and Reservists, along with enrollments from the general public are required to adhere to the school's Academic Policy as noted in the school's general School Catalog. Any conflicts will give reason for termination of enrollment in any program offered.

The Fab School adheres to a strict satisfactory academic progress policy to ensure that all students maintain academic progress and success. Failure by any student, Veteran or otherwise, to maintain satisfactory academic progress may ultimately result in suspension or termination. The Fab School's Satisfactory Academic Progress Policy applies to all The Fab School students, regardless of whether they are Veterans, private paying or receiving Federal Title IV funds.

(For all Veteran students who are also participating in any Title IV Financial Aid program(s), please refer to The Fab School's Catalog for additional policies concerning satisfactory and unsatisfactory academic performances and evaluations.)

The Veterans' Administration will be notified. Should the Veteran student elect to return from their Active-Duty Service, training will resume at the point of their departure and no additional charges will have been charged during their time away from their enrollment at The Fab School.

A Repeat of Failed Academic Subjects/Modules

Veteran students will be required to repeat any incomplete subject coursework, lab work or failed modules. As such, the student will be responsible for any charges for training materials used to repeat such subjects/modules. A status change will be communicated to the Veterans' Administration. ***(Please refer to The Fab School Catalog for specific information concerning The Fab School's Repeat of Failed Academic Subject/Modules Policy.)***

Make-up Incomplete Subjects

It is important that each Veteran student understands the importance of successfully completing all academic and/or lab coursework as it is a critical part of meeting graduation eligibility requirements. A Veteran student will be given an opportunity, at the discretion of the instructor and/or Director of Education, and subject to the availability of space, to make up incomplete coursework. A status change will be communicated to the Veterans' Administration. ***(Please refer to The Fab School Catalog for specific information concerning The Fab School's Make-up of Incomplete Subjects Policy.)***

A Veteran student may appeal the determination of Unsatisfactory Academic Progress and/or their dismissal, based upon extenuating circumstances by following the Student Appeals Procedure outlined in The Fab School's Catalog.

School Policies and Procedures

The law requires that educational assistance benefits to Veterans and other eligible persons be discontinued when the student ceases to make satisfactory academic and/or attendance progress, to include violations of conduct toward completion of his or her training objective.

Student Behavior/Conduct

The Fab School has created a professional "work-like" shop environment in which students can increase their knowledge and develop employment skills according to their professional expectations. Consequently, all students will be expected to extend their best efforts to work harmoniously and conscientiously with their classmates, instructors, and the school administrators. All students must adhere to high standards of scholarship and conduct.

In the event where Veteran students or any student discredits themselves through their behavior, conduct, or coursework or discredit The Fab School, they will be subject to disciplinary action(s) up to and including dismissal. In addition, The Fab School is required to notify the Veterans' Administration of a status change involving a Veteran's failure to abide by the school's Behavior and Conduct Policy, which in turn will cause the Veteran student's Educational Benefits being discontinued.

Suspension and Dismissal

The Fab School reserves the right, in the exercise of their administrative judgment and presence of evidence, and in order to facilitate the continued eligibility of a Veteran student for graduation, to suspend, place on probation, or dismiss a Veteran student based upon any school policy. This shall include, but not limited to, attendance, academics, and/or appropriate student behavior/conduct as noted in The Fab School Catalog. The Veterans' Administration will also be notified of the disciplinary action which will result in the student's educational benefits being discontinued. Any Veteran student who has been

suspended or dismissed may appeal against the action by following the Student Appeal Procedures outlined in The Fab School's Catalog.

Veteran Student "Cancellation of Enrollment" Policy

The "Cancellation of Enrollment" of a Veteran Student is defined as follows.

- The Fab School reserves the right to "Cancel" the enrollment of a Veteran student based upon any failed attendance and/or academic performance, for a specified period of time as determined by the school,
- The Veterans' Administration will be notified of any such action.
- Any coursework completed and/or attendance will be deleted from the Veteran's school record.
- The Veteran student will not be subject to any tuition charges by The Fab School.
- Any books and/or equipment provided to the Veteran student are to be returned to the school according to the school's "Cancellation Policy".
- The Fab School will return to the Veterans' Administration any tuition payment(s) made to the school on behalf of the Veteran.
- Due to the various educational benefits a Veteran may be eligible for, to include "Housing Allowance", the Veteran's Administration may determine a debt is owed, and the former Veteran student would then receive a "Debt Letter" for an amount determined by the Veteran's Administration, to be repaid.

Veteran Student "Termination of Enrollment" Policy

The "Termination of Enrollment" of a Veteran Student is defined as follows.

- The Fab School determines that the Veteran student has violated any number of "Performance Requirements", to include but not limited to attendance, academics, or behavior,
- The Veterans' Administration will be notified of any such action,
- The Fab School will determine the amount of earned tuition, apply it against all tuition payments made to the school on behalf of the Veteran student, and refund any unearned tuition balance to the Veteran unless otherwise directed by the Veterans' Administration,
- The Veteran student will be credited with all coursework and attendance completed through their last day of attendance and maintained in the Veteran student's file,
- Due to the various educational benefits a Veteran may be eligible for, to include "Housing Allowance", the Veteran's Administration will determine a debt is owed, and the former Veteran student would then receive a "Debt Letter" for an amount determined by the Veterans' Administration, to be repaid.

Institutional Return of Tuition Assistance (TA) Funds Policy

Military Tuition Assistance (TA) is awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. When a student withdraws, the student may no longer be eligible for the full amount of TA funds originally awarded.

To comply with the new Department of Defense policy, The Fab School will return any unearned TA funds on an hourly prorated basis through at least the 60% portion (437 clock hours) of the period (728 clock hours) for which the funds were provided. TA funds are earned proportionally during an enrollment period, with unearned funds returned based upon when a student ceases to attend. These funds are returned to the military service branch.

Instances when a Service member ceases to attend due to a military service obligation, The Fab School will work with the affected Service member to identify solutions that will not result in student debt for the returned portion. The Fab School has a policy that returns any unearned tuition assistance (TA) funds on a proportional basis through at least the 60 percent portion of the period for which the funds were provided to the military service branch.
