

The Fab School Complaint / Grievance and Appeal Policies and Procedures

Student Grievance/Complaint Procedures

Students are encouraged, at all times, to verbally communicate their concerns to members of the faculty and administration for amicable solutions. Students who encounter difficulties, problems, or have complaints, should first bring the matter to the attention of their instructor. If the instructor is unable to resolve the situation, the student is to meet with the Director of Student Services/Career Services. If the matter is still not resolved, it should be brought to the attention of the Director of Education for resolution.

Should the grievance/complaint not be resolved, the formal procedure is as follows: A written grievance must be submitted to the Executive Director within forty-eight (48) hours of the incident. The Executive Director will verify that the student has made a verbal attempt to resolve the concern with the instructor or another staff member. If the student has followed the above steps, the Executive Director will call a Grievance Committee Hearing within seventy-two (72) hours of receipt of the report.

All documentation must be submitted with the report that is to be signed and dated. The Executive Director will chair a committee meeting that will consist of not less than three representatives of the following departments, including but not limited to:

- A. Education Department
- B. Financial Aid Department
- C. Student Services Department

In addition, all persons involved with the incident must be present at the time of the hearing. The committee will hear all sides and will immediately meet in the absence of those involved to review the evidence and vote on a decision. The decision of the committee will be communicated immediately.

If the decision is unacceptable to the student, the student must, within twenty-four (24) hours of the hearing, send copies of all documents and a cover letter explaining why the decision is unacceptable to the Executive Director. All complaints will be resolved within thirty (30) business days from the receipt date of the written grievance.

The aforementioned Student Grievance/Complaint Procedures do not apply to complaints involving sexual harassment/sexual violence. For those procedures, please see the following section pertaining to *Sexual Harassment / Sexual Violence Policy and Procedure*.

Sexual Harassment / Sexual Violence Policy and Procedure

The Fab School takes seriously issues pertaining to sexual harassment/sexual violence. If you believe that you have been the victim of sexual harassment/sexual violence that occurred on campus or was perpetrated by another The Fab School student or employee, please contact The Fab School's Executive Director/Title IX Coordinator to begin the process of investigating and hearing your claim:

Penney Vaughn
Executive Director & Title IX Coordinator
9571 Pittsburgh Avenue
Rancho Cucamonga, California 91730
Tel: (909) 493-3788 Penney.Vaughn@thefabschool.edu

The Fab School prohibits any offenses of sexual harassment/violence including but not limited to: domestic violence, dating violence, sexual assault and stalking.

Programs for Prevention and Awareness

The Fab School educates the student community about sexual harassment/violence including sexual assault and date rape through the mandatory orientation prior to the start of each student's program. Literature on date rape education, risk reduction, and The Fab School response is available through the Executive Director.

Preventing and Responding to Sexual Offenses

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The Fab School strongly advocates that a victim of sexual assault, report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to the Executive Director. Filing a police report with a police officer will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam);
- assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual
- assault crisis intervention.

The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system and The Fab School, or only the latter. The Fab School representative (Executive Director) will guide the victim through the available options and support the victim in his or her decision. The Fab

School does not offer on campus counseling services, but The Fab School will help victims identify counseling and support services outside of The Fab School.

Definition of Consent

California has adopted the principle of “affirmative consent” when addressing issues of sexual violence. “Affirmative consent” means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent.

Any student who has been suspended or dismissed may appeal such action by The Fab School by following the Student Appeal Procedures outlined in The Fab School Catalog or as follows.

Student Appeal Procedures (Relating to SAP Policy and the Financial Aid Suspension Status Policy ONLY)

A student may appeal their placement on Financial Aid Suspension Status within three (3) business days of notification of their placement on Financial Aid Suspension status. Students may appeal if they meet the requirements to do so. Appeals may be granted for students who have extenuating circumstances that contributed to the failure to meet SAP (i.e. death in the family, injury or illness of the student or immediate family, or other special circumstances). The Appeal must detail and document the circumstances that caused the student to not make Satisfactory Academic Progress and what circumstances have changed that will allow the student to make Satisfactory Academic Progress. A Satisfactory Academic Progress Appeal Form must be completed and returned to the Financial Aid Department with any supporting documentation of extenuating circumstances.

A Satisfactory Academic Progress Appeals Committee will review the Appeal and determine whether or not to grant the Appeal. If the Committee determines that good cause exists to grant the Appeal, the student may then regain financial aid eligibility. Upon a successful Appeal, the student will be notified in writing within 48 hours and placed on Financial Aid Probation Status. Students not receiving Title IV funds need not file an appeal and will be placed on Academic Probation Status.

Upon the discretion of the Appeals Committee, the student may be placed on an Academic Plan, if it is deemed necessary by the Appeals Committee to assist the student in achieving Satisfactory Academic Progress. Any Academic Plan will be specifically tailored to the student's needs and circumstances at that time.

The length of any such probation status shall continue in place for the student's remaining enrollment period, up to a timeframe of 150% of the student's enrollment. At the end of the period of Academic/Financial Aid Probation, the student's cumulative grade point average and minimum pace of completion shall be reviewed. If the student does not achieve Satisfactory Academic Progress or meet the requirements of the Academic Plan, if any, by the next benchmark, the student's financial aid eligibility shall be terminated, and no appeal shall be allowed.

A student who is withdrawn by The Fab School may appeal the determination by the School to be withdrawn from a given module or subject area by following the prescribed steps as identified in The Fab School Catalog.

A student may appeal the determination of Unsatisfactory Academic Progress and/or their dismissal, based upon extenuating circumstances by following the Student Appeals Procedure.

A student dismissed for any reason, including unsatisfactory or unprofessional behavior or conduct as noted above, may request reinstatement as an active student into their program by following the procedures set forth under the Student Appeal Procedure and Reinstatement sections in this document or The Fab School Catalog. There are special procedures for acts involving sexual harassment/sexual violence, please contact The Fab School's Executive Director for more information: Email: Penney.Vaughn@thefabschool.edu

Student Appeal Procedures (Not related to the Satisfactory Academic Progress Policy)

A student, who wishes to appeal any disciplinary action and/or decision made by an Instructor or School Administration (for an appeal of Financial Aid Suspension Status, see the Satisfactory Academic Progress Policy), must submit a written letter to the Executive Director to be reviewed by an Appeals Board. Students must provide supporting documentation along with their letter in order to support his/her position and any mitigating circumstances that may have existed. This Appeals Board shall consist of not less than three (3) attending members. The Appeals Board shall be chaired by a School Administrator

and consist of, but not be limited to, a representative from the Education Department, Financial Aid Department, and Student Services Department.

The student will be notified of the Appeals Board decision within thirty (30) business days following the receipt of the student's appeal. The decision of the Appeals Board shall be final.

Reinstatement

Students, who have been dismissed for lack of Satisfactory Academic Progress from their program of enrollment, may apply to the Executive Director, in writing, to be re-admitted to the school by following the Reinstatement Procedures outlined in The Fab School Catalog or as follows.

A prior student requesting to be reinstated as an active student, based on a positive Appeals Board decision, must do so in writing to the Executive Director for consideration. A copy of the Appeals Board decision must be included in or attached to the reinstatement request. The Executive Director will review the request and issue a Reinstated Status declaration within five (5) business days of having received the student's request, along with providing a revised schedule of classes.

A student who has been approved for reinstatement will do so with an Enrollment Agreement Addendum, if necessary, and will receive credit for all prior The Fab School payments received, and coursework completed. Any increase in the tuition, books and/or supplies will be included in the addendum agreement, if applicable.

Schools accredited by the Council on Occupational Education must have a published procedure and operational plan for handling student complaints. If a student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints considered by the Commission must be in written form, with permission from the complainant(s) for the Commission to forward a copy of the complaint to the school for response. A copy of the Commission's Complaint Form is available at the school and may be obtained by a request to the Executive Director. The complainant(s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission.
