Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and the Violence Against Women Act

Federal regulations require every school that participates in Federal Student Financial Assistance programs to publish and distribute an annual security report that contains prescribed information relative to campus security policies and crime statistics. The report is prepared every year by the Executive Director & Title IX Coordinator. The Fab School will collect information prescribed in Section 485 (a) and (f) of the Higher Education Act (also known as the Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act) (20 USC 1092 (a) and (f)), from all internal available resources including but not limited to filed campus crime reports and from local law enforcement agencies to compile and disseminate crime statistics. Data from the previous calendar year (January through December) will be collected for inclusion in the annual crime statistics for publication and disclosure beginning on October 1st of the subsequent year. The Fab School must disclose the number of instances in which certain specific types of crimes have occurred in any building or on any property owned or controlled by this institution which is used for activities related to the educational purpose of the institution and/or any building or property owned or controlled by student organizations recognized by this institution. The Fab School encourages accurate and prompt reporting of all crimes to campus security personnel and to the appropriate police agency. The Fab School has designated the Executive Director & Title IX Coordinator as the appropriate security personnel to report, either any criminal actions or other emergencies occurring on campus. The Executive Director & Title IX Coordinator may be contacted in person, by telephone, or by email, at 9571 Pittsburgh Avenue, Rancho Cucamonga, CA 91730; penney.vaughn@thefabschool.edu or (909)493-3788. Reports to the Executive Director must be made in person at the campus location or by telephone (909)493-3788. Any student witnessing or being a victim of any criminal offenses on campus is to report those actions to the Executive Director immediately. Prompt reporting of offenses is required to ensure the preservation of evidence for the proof of a criminal offense and for the purpose of making timely warning reports to members of the campus community.

The Fab School allows victims or witnesses to report crimes on a voluntary, confidential basis please contact The Fab School's student & staff hotline at (909) 493-3700. The Fab School does not offer regularly scheduled programs to address security awareness or crime prevention for its students or employees.

The Fab School requires all criminal offenses that occur on campus be reported in person to the Executive Director immediately, but not later than forty-eight (48) hours after the incident. The school is required to assist in notifying authorities if the incident involves a victim who requests assistance. Anyone needing to report a crime should complete a Campus Crime Report at the office of the appropriate authorities. A copy of the report may be filed with the local authorities. The report will be reviewed for administrative action at The Fab School's next staff meeting or at an emergency meeting, if necessary. The Fab School will determine if action by the school is necessary to prevent a reoccurrence of the incident. If institutional action is necessary, notification to students will take place by bulletin on the bulletin board and a general notice distribution throughout the campus. Although the school does

not offer regular scheduled crime awareness or prevention programs, this policy, which is published in The Fab School's catalog and is disclosed by general notice distribution every October 1st is designed to inform students and employees about campus security procedures and practices and to encourage students and employees to be responsible to their own security and security of others.

The Fab School Main Campus Office is open every Monday through Thursday from 8:00 am until 6:00 pm. The Facility is accessible during regularly scheduled class hours of 8:00 am to 10:00 pm Monday through Thursday. The Fab School does not have on-campus housing, nor does The Fab School employ pastors or professional counselors. Security of the campus is under the supervision of the State and local police. The school does not employ security personnel with the authority to arrest individuals. However, the school encourages its students, employees, and visitors to immediately report suspected criminal activity or other emergency response agencies by dialing "911". The school assists in notifying authorities of incidences of a criminal offense, and State and local police agencies have the right to make arrests. There is not a written Memorandum of Understanding between The Fab School and state or local police.

The Fab School offers periodically scheduled educational programs to promote the awareness and prevention of rape, acquaintance rape, and other forcible and non-forcible sex offenses. The Fab School has developed policies and procedures to follow if a sex offense occurs. As stated above, The Fab School encourages accurate and prompt reporting of all crimes to campus security personnel and to the appropriate police agencies and has designated the Executive Director & Title IX Coordinator and the Director of Education as the appropriate security personnel to report, either in person, by telephone, or by email, any criminal actions or other emergencies occurring on campus. The student has the option to notify appropriate law enforcement authorities, including campus security personnel and local police. Institutional personnel will assist the student in notifying the authorities if the student requests the assistance of institutional personnel. The school does not offer on-campus counseling, mental health, or other services for victims of sex offenses are available to students and staff by contacting the San Bernardino Sexual Assault Hotline at (909) 895-8884 or the San Bernardino Sexual Assault Services 24-hour Crisis Hotline (800) 656-4673. The institution will change a victim's academic situation after an alleges sex offense if those changes are requested by the victim and are reasonably available. Procedures for campus disciplinary action in cases of an alleged sex offense include a formal hearing to determine facts and disciplinary action if warranted. The accuser and the accused are entitled to the same opportunities to have others present during a disciplinary proceeding. Both the accuser and the accused must be informed of the outcome of any institutional disciplinary proceeding brought alleging a sex offense. The school will upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the results of any disciplinary hearing conducted by the school against the student who is the alleged perpetrator of the crime of offense. If the alleged victim is deceased because of the crime of offense, the school will provide the results of the disciplinary hearing to the victim's next of kin, if so requested. Compliance with this does not constitute a violation of the Family Educational Rights and Privacy Act (20 USC 1232g). Sanctions may include probation, suspension, or dismissal.

In accordance with the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling "Crimes Against Children and Sexually Violent Offender Registration Act", the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974. The Fab School is providing a link to the

San Bernardino County Registered Sex Offender Registry:

<http://www.homefacts.com/offender/California/San-Bernardino-CountySan-Bernardino.html>

This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by the State concerning registered sex offender may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student. In the State of California convicted sex offenders must register with the "Sex Offender and Crimes Against Minors Registry" maintained by the California Department of Justice. Registry information provided under this section shall be used for the purposes of the administration of criminal justice, screening of current or prospective employees, volunteers or otherwise for the protection of the public in general and children. ***Unlawful use of the information for the purpose of intimidating or harassing another is prohibited and willful violation shall be punishable as a Class 1 misdemeanor.***

The California Department of Justice is responsible for maintaining this registry. Follow the link below to access the California Department of Justice website: <http://www.meganslaw.ca.gov/>

The school will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students and/or staff occurring on the campus.

Testing Procedures

At least twice a year the campus shall test The Fab School Fire Alarm System.

Sexual Harassment/Sexual Violence Policy and Procedures

The Fab School takes seriously issues pertaining to sexual harassment/sexual violence. If you believe that you have been the victim of sexual harassment/sexual violence that occurred on campus or was perpetrated by another The Fab School student or employee, please contact The Fab School's Executive Director/Title IX Coordinator to begin the process of investigating and hearing your claim:

Penney Vaughn
Executive Director/Title IX Coordinator
9571 Pittsburgh Ave
Rancho Cucamonga, CA 91730
909-493-3788 or penney.vaughn@thefabschool.edu

The Fab School prohibits any offenses of sexual harassment/violence including by not limited to domestic violence, dating violence, sexual assault, and stalking.

Preventing and Responding to Sexual Offenses

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The Fab School strongly advocates that a victim of sexual assault, report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to the Executive Director. Filing a police report with a police officer will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam);
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system and The Fab School, or only the latter. The Fab School representative (Executive Director) will guide the victim through the available options and support the victim in his or her decision. The Fab School does not offer on-campus counseling services, but The Fab School will help victims identify counseling and support services outside of The Fab School.

Definition of Consent

California has adopted the principle of “affirmative consent” when addressing issues of sexual violence. “Affirmative consent” means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent.

The Fab School Procedures and Proceedings Pertaining to Claims of Sexual Harassment/Violence

The following sets forth The Fab School’s procedures for handling alleged charges of sexual harassment/sexual violence that occur between students, faculty, and staff in a combination thereof whether the alleged act occurred on-campus or off-campus or between students, faculty, or staff and third parties if the act occurred on-campus.

The Fab School will collect information prescribed in Section 485 (a) and (f) of the Higher Education Act (also known as the Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act) (20 U.S.C. 1092 (a) and (f)), from all internal available resources including but not limited to filed campus crime reports and from local law enforcement agencies to compile and disseminate crime statistics. Data from the previous calendar year (January through December) will be collected for inclusion in the annual crime statistics for publication and disclosure beginning on October 1st of the subsequent year.
